Horse Show Reservation Form

Parents will pay a \$50 **non-refundable** show deposit per child, at least three to four weeks prior to the show your child will attend. If your child is only doing lead line and sharing a horse, then a \$30 deposit will be required instead. The deposit will reserve your horse's spot on the trailer and will be applied to your DRA billing invoice that is emailed the month following the show.

DRA may decide not to go to a scheduled show if there will be fewer than three students that want to participate, or if the weather will not be suitable for showing. If DRA cancels a show, deposits will be applied to your next month's invoice.

DRA horses will be assigned on a first come, first served basis, for any shows that are not held on the DRA premises.

Please fill out the following form in order to sign up for a show and to reserve your horses spot on the trailer. Return this form and the required deposit to the DRA payment box when completed. Thank you!
